A Special Thank You

Thank you to the 5 individuals who willingly gave so that the church could purchase new microphones.

Annie Armstrong

Goal = \$1,000
Collected YTD = \$1,606

Praise the Lord that we were not only able to meet our goal for the year, but we were able to surpass it by \$606. For a church of our size that is a wonderful accomplishment. Now if you have not yet given then there is still time to do so and I encourage you to. Just because we have reach our goal doesn't mean that the missionaries of the NAMB couldn't use more to spread the gospel of Jesus Christ to the lost in our world.

1 John

As we continue our study through the book of 1 John you can prepare yourself a little for what is to come.

April 1—Isaiah 52:13-53
April 8—John 2:13-22
April 15—1 John 2:24-27
April 22—1 John 2:28-3:3
April 29—1 John 3:4-6

Remember that a heart of worship flows out of a life lived for Christ and if you do not live your life for Him during the week then you cannot worship Him on Sunday mornings. Love the Lord with all your heart, soul, mind, and strength.

Easter is coming up fast and I want to take a moment to invite you and your family to join us as we celebrate the resurrection of our Lord and Savior Jesus Christ.

Phase 2: Basic Training (Sunday School) - Sunday's @ 9:30

As we continue to develop our Sunday school classes into the full discipleship ministry of Operation Completion make sure you have the following 5 leaders: Connect Fellowship, Connect Prayer, Grow, Serve, Go.

The CONNECT Fellowship Leader

This leader is someone in the class other than the teacher who has a desire to connect the class together through fellowship. This leaders main responsibility it to organize at least three fellowship events per year for the class. These events could range from a BBQ at

someone's home to a bowling night to a drive through the country. Anything that gives the class a chance to get to know one another outside of Sunday morning helps.

Along with that the fellowship leader also tries to find fun and creative ways for the class to bond together while they are in class. Maybe an ice breaker game or a Q&A with the class.

The more a class bonds together through fellowship the stronger their relationship with Christ will grow. The fellowship leader is vital to presenting everyone complete in Christ.

Church Plant Update

The church plant team of FBC Woodsfield has been working diligently to try to lead our church toward our goal of planting a church by August 1, 2012.

At this time the team is asking for all Sunday school classes to focus on getting our church more involved in the prayer efforts for the church

plant. Working with the Sunday school director they are encouraging all Sunday school classes to devote 3 minutes of class time per week praying specifically for the lost and the church plant. We also ask that individuals spend 5 minutes per week on their own in prayer. Once God tells us to move we will, until then we need to all be praying as a church for our church planting efforts.

The team recently had a prayer drive to Wintersville, Ohio to seek the Lord's leading. Thank you to all who participated in that event.

Phase 3: Specialized Training - Sunday's @ 6:00

Compelled By Love

April 15—May 27

A total of 25 people signed up for the Spring Bible study *Compelled by Love*. This study will begin Sunday evening, April 15 at 6:00. If you did not sign up but would still like to be a part of the class you may do so. Unlike our previous study, we will divide the class into two different smaller groups to provide for better discussion.

Remember to check out the bulletin board at church for upcoming Phase 3 studies and other possibilities to help you be complete in Christ.

Nursing Home Ministry

April 29; 2-3pm

Mark your calendars to join us for our 5th Sunday ministry at the two nursing homes in Woodfield. Many in our church have never participated in this SERVE opportunity. I encourage you to try it out at least once and see how God can use you to provide ministry to others in need.

Input Recommended

Everybody in our church is in need of various opportunities to grow in their walk with Christ. Sometimes those in leadership are not always aware of the needs of the congregation. If you are aware of a particular Bible study or need that you believe people in our church need help with please let Pastor Adam know. He is always looking for new ideas and ways to help the church grow. You can be a contributing factor in what our church offers in the area of specialized training. Any and all input is recommended.

Phase 4: Recruiting - Wednesday's @ 6:30

Our recruiting efforts on Wednesday evenings have probably seen the most change from what we may be used to when it comes to *Operation Completion*. I am encouraged by the amount of visitors we have had in the preschool TeamKID and pray that we will be able to see as much in the other areas as well. If you and/or your children are not actively participating in these efforts then you are missing out on a great opportunity to take Christ to the community. Improvements are being made every week and the excitement continues to grow with every guest.

Preschool-6th Grade

TeamKID is a wonderful ministry tool filled with music, Bible lessons, high impact games, and snacks. The preschool and children groups are split into two TeamKID ministries and led by a group of excellent volunteers who care about seeing our children HEAR God's Word. More information can be found at www.lifeway.com.

7th-12th Grade

If you are a youth then we want to invite you to become a part of *Something Bigger*. As a part of this ministry you will be challenged to deal with real-life issues in various ways including games, large groups, and small groups. It is a great opportunity for you to make your faith KNOWN by developing Godly relationships.

Adult "GO" Group

The adult "GO" group is challenged with the task of reaching out to the parents of the children who are a part of TeamKID and *Something Bigger* as well as trying to find ways to encourage those in our church who have fallen away to renew their commitment to Christ and become complete in Him. Join us as we GO with ready feet.
